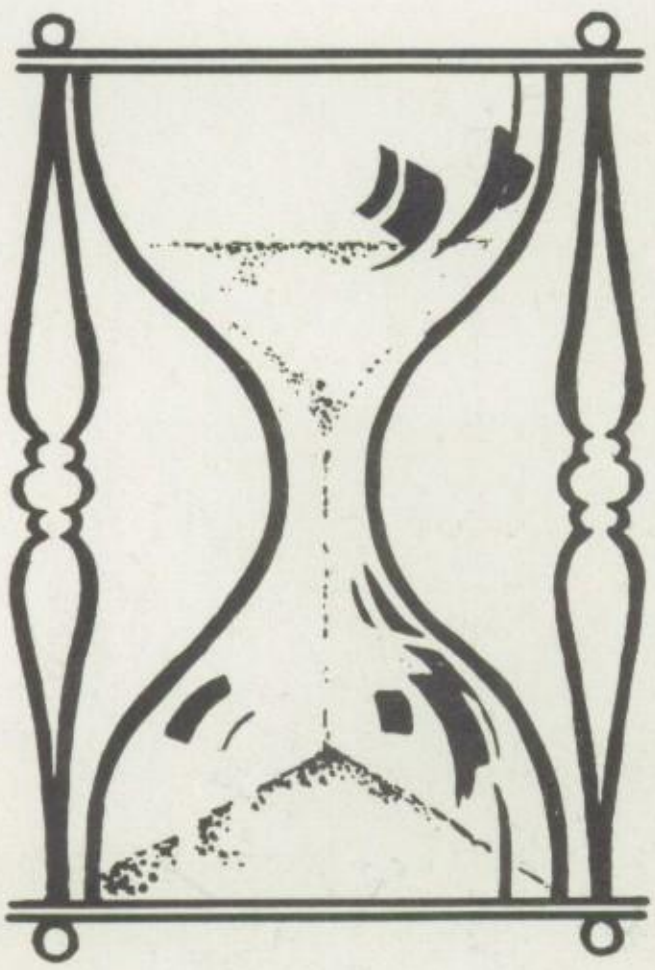
Foreword

We have attempted, by the illustrations and writings found in the following pages, to record Adna in the school year 1956-57.

Our purpose is to retain the fond memories of our many friends and teachers. As we gaze through the pages of this yearbook in the coming years, may they bring back to all of us the joy of those never-to-be-forgotten days.



Dedication

Dear Mrs. Davis

I enjoyed hearing in your class and hearing for you in the library. I wish you luck in the future.

Sincerely,

Librarian

Dedication

For his patient understanding, co-operation, leadership abilities, excellent shop instruction, listening ability, for his sense of humor, and for his down-to-earthness while serving for three years as our principal, and this past year as shop teacher, we, the seniors of 1957, hereby dedicate this 1957 annual to Mr. Walter Roundtree, one of the most admired and well-liked persons we have known in our high school years.

Mr. Roundtree is a person who would always take a minute to listen to our troubles, who would never turn away from us because we were younger. We hope you liked having us, Mr. Roundtree, as much as we like you.

TOP STUDENTS OF '57

After four years of strenuous study and activity, Anna Geiszler achieved valedictorian honors with an almost perfect 3.97 grade point average. This is the highest average that has been obtained at Adna for a number of years. Appropriately enough, Anna served as president of the newly-formed Honor Society and led Adna's spelling team for two years. Anna was co-editor of this year's annual as well as sports editor on the paper staff. Other activities in which she has taken an active part include: Drill Team, Band, Glee Club, Drama, Girls' Athletics, and Girls' League. Anna is of the finest character, to which the Adna teachers will vouch.

Alan Waltar obtained the academic honor of salutatorian with a very commendable grade point average of 3.91, as a result of his constant strive for perfection. Alan proved his superiority in the scholastic field by representing Adna at Boys' State. Being active in extra-curricular activities, Alan has participated in basketball, baseball, the "A" Club, the annual staff, Band and Drama. Offices held by the salutatorian are: class president and representative, "A" Club secretary, Band president and lieutenant. Alan, a member of the Honor Society, was one of its founders.

Senior Class History

The graduating class of '57 entered A. H. S. in '53 with 27 members. Our first high school class officers were elected proudly. With Mr. Nelson as our class advisor we chose Claire Dykes, President; Ross Dykes, Vice-President; Anna Geiszler, Secretary; Barbara Thayer, Representative; and Lee Thomas, Sgt. at Arms.

On September 18, we were made full-fledged Pirates after a rough but enjoyable initiation. To prove we were good sports, we presented the Frosh Return in the Spring.

Deep Lake was the scene of the class picnic on the last day of school.

As Sophomores we were 26 members, having lost Sharon Kerrigan and Don Fertig but gaining Afton Johnson from Centralia. However in the middle of the year we were sorry to lose Claire and Ross Dykes.

After electing Alan Waltar, President; Lee Thomas, Vice-President; Afton Johnson, Secretary; Joanne Balsley, Representative; and Don Haase, Sgt. at Arms with Mr. Nelson again our advisor, we proceeded to initiate the new Freshmen.

During the year we enjoyed two or three class parties ending with the last day picnic again at Deep Lake.

Now as upperclassmen we were again 24 in number having lost Bob Norman but gaining Elsworth Fernen from Seattle. Miss Aumann became our advisor and we again elected class officers. Elected to serve were Ken Wilson, President; Fred Ambsdorf, Vice-President; Edith Geiszler, Secretary; Ellen Toporke, Representative; and Lee Thomas, Sgt. at-Arms.

With much ado and as a great success we presented our Junior Prom with "Stairway to the Stars" as our theme. In the Spring everyone's talent became known as we presented "One Big Happy Family" in grand style.

The class again joined each other at Deep Lake at the end of the school year for the annual last day school picnic.

Twenty-one proud Seniors entered the A. H. S. Halls for the last time on September 4, 1956. We were sorry to see that Joe Morgan, Mary Courtney and Iris Norman had left our ranks.

The first business of elections was settled with electing Don Haase, President; Walter Geiszler, Vice-President; Mary Simonds, Secretary; Alan Waltar, Representative; and Lee Thomas, Sgt. at-Arms. Ken Wilson was our able Student Body Prexy, and Mr. Robinson served as class advisor.

In the fall our talents again came out in "Headin' For The Hills" which of course, was a huge success. Miss Anne Rankin served as advisor for this play with Don Haase as our brilliant student director.

During November many Seniors suffered from sore feet and almost frostbite after selling "many" annual ads during three days in town. In the Spring came that educating and enjoyable Senior Trip to Seattle at which everyone seemed to have had fun.

Four Seniors were very happy to skip a day of school and journey to the University for a Leadership Conference.

The two final events, long looked forward to, were Baccalaureate and Graduation which showed we had at last reached the end of the climb, or is it the beginning? The class of '57 has entered into the past at good old A. H. S. but we trust we will be remembered.

ADNA GRADUATE COMPLETES WORLD TOUR

Miss Barbara Thayer, a member of Adna High School's class of 1957, returned August 4, 1967, from a world-wide tour.

When Barbara was in high school she amazed people with her piano playing and now she has presented her talents to the rest of the world. On this trip she visited with her 20 former Alma Mater friends.

On her tour, Barbara's first date was with Pan American Airways where whe met Anna Geiszler who was hostess aboard the plane. Miss Geiszler is unmarried, but very happy with her job. The reason Miss Geiszler hasn't married yet is because she hasn't persuaded the proper man. The proper man being (of course) the pilot of that very plane, Alan Waltar. Alan wants to wait a little longer before their marriage because he feels it would endanger their happiness to rush into such an important contract. The pilot and Miss Geiszler are now 27 and enjoy the same interests together.

On the same plane, which was going to France, was Sir Elsworth Fernen who was going to Europe for a vacation. Elsworth informed Barbara as they talked, that he was head Yell King at Adna University. He also informed her of the outcome of the latest city election at Adna where Miss Afton Johnson won over her opponent to become lady Mayor of Adna; and that Mary Lou Setzer had recently visited the little city. Mary Lou has been living in the Ozarks since the class Senior Play (Headin' For The Hills) when she fell in love with the atmosphere of hillbilly life.

When the plane rolled down the runway in Paris, Barbara was surprised to see the photographer who was there to take her picture for the Paris Daily Tribune. It was none other than Janice Ozar who was photographer for the 1957 Adonian. Janice had found life too boring around Adna (since everyone was up to her tricks) and went to Paris for some thrills.

After her concerts in Paris, Barbara boarded the plane bound for Spain. When the plane landed in Madrid, she was welcomed by another of her former classmates, who was quite the Casanova. It seems as though all the girls around Adna were getting sparse, so the poor unfortunate lad left the country to get over his sorrows. It was Ken Wilson.

As Ken and Barbara enjoyed lunch together, two of their former fellow students, Fred Ambsdorf and Lawrence Adolphsen, joined them. Fred is head usher at the Opera house in Madrid and Lawrence runs his own construction company which is, at the moment, building another of the United States' air bases in Spain.

As Barbara bid them farewell, she awaited her next stop which was Sydney, Australia. At the same concert in which Miss Thayer was to appear, Evelon Vetar (Evelyn Vetter) is billed to sing a solo. Evelon, though she changed her name slightly, is the same happy-go-lucky person she was in high school. Evelon and Barbara went to Sydney Stadium the following evening where Lee Thomas was the feature attraction of the night. Lee is the most famous wrestler in Australia and was trying to uphold his all-time high Olympic wrestler's record.

Miss Thayer's next destination was Havana, Cuba. Here she planned to see two of her school pals whom she heard were doing so well there. Miss Thayer knew them previously as Marian Patch and Joanne Balsley. Both are famous musicians in the Lation American world.

Her tour almost over, she was on her way to New York. Upon arrival at the airport, she called for a taxi, and who should be driving the cab but Joe Grigsby. He informed Miss Thayer that he was the owner of the Leopard Skin Taxi Company. He specializes in lavender cars, "More enjoyment for the customers in a different atmosphere," he stated.

While walking to her hotel room, Barbara passed by a novelty shop which caught her eye. It was a Stretch Shop for making short people taller. And who should Miss Thayer see, but the owner, Mary Simonds. Mary had grown four inches with her own treatments. Her co-partner (as always) was Marian Tanksley.

While conversing, the girls spied a large crowd gathered across the street. Of course, being Adna girls, they couldn't go away without finding out what was going on. Upon their arrival at the scene of the crowd, they sighted a middle-aged woman in bobby sox -- bopping! As they looked closer, they discovered that it was one of their classmates from the more quiet set-Ellen Toporke. Although the girls couldn't get close enough to talk to her, and no one, but no one could stop her, the girls heard someone ask her why she was continuing such a conspicuous scene by doing a popular dance from 10 years ago. She announced abruptly , "It took me nine years to learn this dance step and I'm not stopping now!"

With that, the girls returned to the Stretch Shop with exclamations concerning Ellen. "Why, she's bopped her way from Adna, across the U.S.A. to New York. Well, maybe she'll be exhausted by the time she bops her way back to Adna and will return to the quiet type of life she led for so many years before." With many good-byes, the girls parted company and Miss Thayer was on her way to her hotel room.

At the hotel, Miss Thayer bumped into another of her old friends, Walt Geiszler. Walt, chosen Dairyman of the Year (1957) from Lewis County, was attending a meeting of Dairyman in New York. Walt informed Barbara of the whereabouts of his cousin, Edith Geiszler. Edith was working on a rodeo to be performed on her Bar G Horse Ranch, one of the largest in Texas, enclosing three counties. It seemed as though Edith was the same ambitious horse lover that she was in high school.

While on her journey home, she heard over the news telecast that Don Haase, another former classmate, had just won an annual auto race at Santa Anita. He is the only contestant ever to win the finals for the loudest horn, of which Don's was perfection.

When Barbara reched home, she felt she had been very fortunate in meeting and hearing about her former AHS classmates.

CLASS POEM: COURAGE

This is courage: to remain
Brave and patient under pain;
Cool and calm and firm to stay
In the presence of dismay;
Not to flinch when foes attack,
Even though you're beaten back;
Still to cling to what is right,
When the wrong possesses might.

This is courage: to be true
To the best men see in you;
To remember, tempest-tossed,
Not to whimper, "All is lost!"
But to battle to the end
While you still have strength to spend;
Not to cry that hope is gone
While you've life to carry on.

This is courage: to endure
Hurt and loss you cannot cure;
Patiently and undismayed,
Facing life still unafraid;
Glad to live and glad to take
Bravely for your children's sake,
Burdens they would have to bear
If you fled and ceased to care.

CLASS MOTTO: Not at the top;
but climbing.

SUPERINTENDENT

Edwin L. Bolton

George C. Cochran

Mr. George Cochran, graduate of Jefferson High School in Portland and Lewis and Clark College, also in Portland, is in his first year at Adna as High School principal. He received a B.A. Degree and a B.M. Degree.

GRADE PRINCIPAL

George W. Burton

Mr. George Burton, who earned his B.A. Degree at the Western Washington College of Education, will complete his fourth year as Adna Grade School principal this year. His high school graduation took place at Roosevelt in Seattle. Mr. Burton has been working on his Master's Degree.

BOARD MEMBERS

LEF TO RIGHT: Mrs. Hazel Duncan, clerk; Mr. Lowell Rayton, Mr. Page Bennett, Mr. Edwin Bolton, Mr. Vaino Waltar, Mr. Jack Moon.

Board of Education

Serving ably as chairman of the school board this year has been Mr. Page Bennett; assisting as clerk, Mrs. Hazel Duncan. In striving to better our schooling situation, they have devoted much time and work to many school problems, such as the consolidation with Boistfort. The board has considered this problem very seriously and is still working on it. The Adna students are very grateful to the board for all the work they have done to better our education.

LEFT TO RIGHT: Mrs. Lillian Sayler, program chairman, Mrs. Em
Lou Anderson, secretary, Mrs. Inez Scherer, vice president, Mrs. M
Lou Anderson, president.

P.T.A.

Among various activities sponsored by the Adna PTA this year are included the teen-age dances, contribution to the IFYE fund, PTA Circus Night, and others. One of the most debatable points of the entire year was the Adna-Boistfort consolidation. There was a large meeting held in the courthouse in Chehalis, which was attended by some 400 Adna-Boistfort people. As of this date, the matter is yet unsettled. Another new feature of the PTA is the page in the Blue & Gold, which is written by Mary Lou Anderson, the PTA president. On the whole, this year has been a very successful and certainly a very active one for the PTA.

OFFICE

Mrs. Bolton is a member of the office staff.

We appreciate the services and friendly manners of the cooks, custodians, and helpers who have been with us this year. Mrs. Bolton and Carl Haase have worked in the high school while Mr. Richter and Mrs. Ickes and Mrs. Haase participated in grade school activities. The seniors are sure of the fact that we have the best cooks in Lewis County. Mrs. Bolton really brightens up the office with her cheery ways. All the children who work in the lunchroom are a lot of help when it comes to washing dishes and cleaning.

H. Smiley and N. Budgett topped the class as spellers and Judy Duncan was the high salesman of the magazine drive.

Of their class of 20 boys and 13 girls there are two new students, Ken Loomer and John Thompson.

Boys who won football letters this year are H. Ayers, C. Barrett, G. Bennett, M. Bodine, B. Carter, G. Duey, W. Ford, E. Geiszler, T. Hostetter, J. Moon, W. Morgan and B. Vilwock. Their record was two wins and two losses.

Basketball letter winners were H. Ayers, C. Barrett, G. Bennett, M. Bodine, W. Ford, T. Hostetter, and J. Moon. Five lost and none won was the record this year.

Seventh Grade

With Mrs. Nielsen as their teacher, the seventh graders had, as usual, a very active year. Their class officers were elected to serve for three months each. Serving as president were: B. Johnson and J. Hokanson, assisted by G. Simmons and D. Swinth. Keeping the minutes were D. Young and G. Simmons while L. North and L. Merser kept track of the treasury. S. Reed and D. Walls served as the sgt.-at-arms officers.

Two new students were gained during the year, Leslie Mercer and Beverly Mitchell, while only one was lost, Nancy Gavin, who moved to Centralia.

J. Back was the top magazine salesman of the year. The spelling contest was headed by D. Young with L. North as alternate.

Five boys participated in football this year. They are: L. Mercer, D. Piper, D. Walls, B. Johnson, and J. Becker. Those who played basketball are D. Piper, B. Johnson, L. Mercer, and G. Massingham.

Dear Mrs. Davis,

I've really enjoyed you as my English and Lit. teacher and I sure wish you would be here next year.

Thanks for the penpals both foreign and from Brewster! (even though the one in Brewster sorta fizzled!)

I'll be seeing you next year at the games with Biastfurt.

Keep wishing the best Teacher ever all the luck in the world.

With all of the annual work done (well, we hope) the staff can relax. The Editors feel that the members of their staff along with the class worked with excellent teamwork to make the best possible annual for you.

Eleven seniors, eight girls and three boys who were elected by the class, worked together under the supervision of Miss Anne Rankin. Photography was done by Janice Ozar and Joanne Balsley except for group pictures taken by Everden Studios. As soon as they were elected, Anna Geiszler and Mary Lou Setzer, CO-Editors, started work on the dummy annual. A contract for printing and publication was signed with the R. Journalism

Heading the Blue and Gold Staff for the 1956-57 year were Co-Editors Mary Simonds and Afton Johnson. They were assisted by: Social Editor Barbara Thayer, Editorial Editor Joanne Balsley, Exchange Editor Evelyn Vetter, PTA News Editor Edith Geiszler, Assembly and Distribution Editor Mary Lou Setzer, Grade School Editor Janice Ozar, Feature Editor Afton Johnson, Art Editor Ellen Toporke, and Sports Editor Anna Geiszler. The Junior Staff, shown above, assisted by acting as reporters.

Serving as advisors for the paper was Miss Anne Rankin, commercial teacher. Due to unforseen difficulties, the paper was not published at equal intervals as before.

On February 22-23, Co-Editor Afton Johnson journeyed to Seattle to the annual PSSP Conference with three Junior Staff members. These included Peggy Duey, Pat Siegwarth, and Dan Scherer.

A. H. S. BAND

Of all the clubs and activities in progress this year the band was one of, if not the busiest, of all. In furnishing entertainment not only to Adna but to other audiences as well, they have been kept quite busy. There is much practice involved in playing an instrument in the band. Not like other organizations that meet only two or three times a week, the band meets every single day.

Some of the events which the band has participated in are: the Armistice Day parade in Centralia in November, the football games, the pep band at basketball games, the Daffodil Festival in Puyallup on April 13, the mass band in Morton on April 17, a spring concert at Adna, the IFYE Talent Show, and the baseball games.

HEADIN' For The HILLS

"Headin' For the Hills", a hillbilly play in three acts, by Le Roma Rose, was presented Nov. 16, at the Adna High School Auditorium by the '57 class.

Such characters as Cy Goolus, a hillbilly who ran a general store in Lone Mule, Tennessee, and Widow Squiggins kept the stage lively with action to send off this comical play in true hillbilly style.

GIRLS' LEAGUE HAS ACTIVE YEAR

Of the events sponsored by the girls' league this year, perhaps the Spring Tolo, held on April 26, was the most exciting and important to all who attended. There were many lovely formals shown off by the girls and boys were also dressed at their best. Another important dance was the Fall Tolo, which was not as formal as the spring dance, and the students wore school clothes. At Christmas time, when the Basket-fillers were doing such a magnificent job, the girls filled a basket of food, toys, and clothes and sent it into Chehalis as their contribution. There was a meeting once a month at which Afton Johnson presided as president, Mary Lou Setzer as vice president, Nancy Mohoric as secretary, Freida Douglas as sgt.-at-arms, and Joan Fischer as representative. Afton Johnson, Freida Douglas, Orean Lininger, and Linda Douglas attended a conference at Mossyrock in November.

GIRLS' GLEE CLUB

Singing to the best of their ability, with a very capable leader, the Adna Glee Club participated in many school and extra-curricular activities during the 1956-57 year. Much progress was made due to the excellent leadership of Mr. George Cochran. Some of the events at which they performed were the Grange Christmas program, at which they sang a medley of songs; the IFYE Talent Show for Virgil Rayton, where they sang "Little Old Lady," and "Falling In Love With Love;" the PTA meeting on March 25; and the Chorus Festival at Mossyrock on April 17. This was the first venture of this type taken by the AGC.

Junior Class Play

THE SWEETHEART OF U BAKA PI gave play goers a peek into the initiation adventures of sorority and fraternity pledges who are to have "trouble" for ten days. Answering questions in rhyme, getting down on all fours and barking like a dog, Duane scared innocent bystanders. Rheba's trouble started when she had to get a date with Duane, who was forbidden to have "dates" of any kind.

The college expected the arrival of a "kitchen queen," whose identity became switched, a necklace disappeared and Duane found himself with several girls accepting his proposal of marriage. As the plot unrolled, the Dean revealed she had made up the story about the stolen necklace and the girls had plotted against Duane to enable him to have "trouble."

Elva, the Kitchen Queen, finally helps the pledge out of his dire trouble although she, because of sorority vows, is at first pledged to tell "untruths" and later forbidden to speak to Duane. Rheba's muscle-bound boy friend, Dyke, takes matters into his own hands and makes a few decisions which brought the play to a happy ending.

Torch Honor Society

A newly formed club called Torch Honor Society has been organized at Adna. This new club is headed by Anna Geiszler, this year's valedictorian. There were, all told, nineteen members at the beginning of the fifth six weeks. Six seniors were present at this time, five juniors, five sophomores and three freshmen. To participate in the club's activities and retain membership, one must maintain a 3.3 average for 6 subjects, a 3.4 average for 5 subjects, and a 3.5 average for 4 subjects. The object of this chapter is to create an enthusiasm for scholarship, to encourage the development of character in students of Adna High School. There are only three offices to be held, that of president, which was held by Anna Geizsler this year, vice president, which was held by Dan Scherer, and secretary, held by Pat Siegwarth. Mr. Cochran served as advisor; he held the grades and admitted students to this club. Membership in this organization shall be based upon scholarship, service, leadership, and character. Pins for one semester membership will be awarded to the graduating seniors

Many activities, such as viewing a court trial and taking some field trips are in the planning.

GRIDIRON SQUAD SHOWS POWER

After splitting a pair of games in the Jamboree (losing to Oakville 6 to 0 and tripping Napavine 13 to 12) the Adna Pirates romped off to an easy victory over Boistfort 49 to 6.

With this polishing-up job, the Pirates entered league action by again dumping the Braves, this time by the score of 57 to 13. With high hearts from the previous victories, the Adna pigskinners rolled over Quilicene by a strong 44 to 6 decision.

From there on in, the Pirates seemed to save their power for alternate games, losing to Toutle Lake by a 59 to 24 count and then returning to normal by trouncing Wishkah 46 to 15. An aggressive Rainier ball club left Adna on the short end of a 40 to 6 score but Pirate combinations again began to click as Napavine fell victim of a 20-13 encounter. After a hard fought battle, Adna dropped the last game of the season to Oakville by a 56-30 margin.

Final standings found the Pirates in a well-earned tie for 4th place in the Southwest Washington Six-Man Football League.

Ken Wilson and Jerry Berrier were honored for their outstanding contributions by being named to the six man all-star team. Lee Thomas, Joe Grigsby, Bill Mullins, Ron Richardson, John Long, John Leonard, Larry Jordan, and Ray Jones also contributed heavily to the Pirate cause. A misfortunate pre-season ankle injury sidelined another probable starter, Don Haase.

All in all, this season proved very successful. There is every reason to believe that the Pirates will take advantage of their young material to produce another strong contender for next year's crown.

BOYS' BASKETBALL VARSITY SQUAD

Hampered by a short list of turnouts plus fall outs along the way, the Adna Pirates usually found themselves at the short end of the score during the 1956-1957 basketball season. Although the Pirates weren't too successful in their practice games, they came back much stronger in league encounters.

The first league action found Napavine shaving Adna in a tight 52-49 contest, but the return game showed a reversal as the scoreboard read Adna 51, Napavine 50. History was made as the Pirates dumped Boistfort at the Braves home court for the first time in nine years, 34-29. Pe Ell nipped Adna by a slim 45-41 margin after it looked as though an upset were in the making.

CAPTAIN and COACH

Final standings found the Pirate hoopshooters in 4th place in the Western Division of the Lewis County League.

Lack of experience proved an important factor as only seniors Alan Waltar and Lawrence Adolphsen made the varsity. Bill Mullins showed great improvement this year as did his fellow juniors, Jerry Berrier and Walt Marth. Sophomore contributors included Roy Sherer, John Leonard, and Jerry Nowlen, while Larry Jordan and Ray Jones showed great promise as freshmen.

With these underclassmen in mind, it looks as though the Pirates will come back much stronger in future years and it is entirely possible that they may revolutionize our trophy case with a basketball monument.

Pep Staff

Cheering the boys on is the job of the Pep Staff and cheer them on they did! Whenever, wherever they went, no matter how cold or warm the weather, or how defeated our team was, the Pep Staff was on the job, never giving up. Not one of the girls missed a game during both the basketball and the football season. Their moral support means a lot to the men on the team and without it they would undoubtedly lose the will to win.
